# Guide to Recycling and Refuse

## General Guidelines

- Trash needs to be stored **at all times** inside approved container(s) with a tight-fitting lid.
- Brush and yard waste must be bundled, in paper yard bags, or placed in a separate labeled container for collection on your trash day.
- Hazardous waste & electronics can be taken to Fairfax County's West Ox Road Transfer Station for proper disposal.
- Special Collections are available for bulky items too large for containers.
- Trash and recycling containers must be placed in approved locations, not in common areas.
- Label all trash and recycling containers with your house number.

## Proper Storage

For more information on the town's Solid Waste Ordinance please visit [herndon-va.gov](http://herndon-va.gov) or call (703) 435-6853
